

EARLY CHILDHOOD CENTER

FALLS LENOX

What's Happening in the Hallways:

Veteran's Breakfast: Students at Falls Lenox will host a special breakfast and serve our local veterans and their Bulldog students! On their walk to breakfast families can enjoy the "Wall of Fame" students worked on to honor their family members who served or are currently serving our country. Thank you to our veterans for all you've done!!

Book Drive: After your child's parent/teacher conference be sure to swing by the school library to check out the Scholastic Book Fair.

Compass Learning: This online resource is available now for children to login and practice reading and math at their ability levels. Compass Learning aligns with the MAP test and helps them practice answering questions on a computer or Chromebook. Login information has gone home!

What's Happening in the Hallways:

- **Introducing WIN:** Similarly to Falls Lenox, classroom teachers at the ECC now have time during the week for WIN ("Whatever Ittybitties Need") for teachers, intervention specialists and tutors to provide intervention and enrichment to students building-wide.
- **Veteran's Recognition:** Students at ECC spent time decorating and coloring a special star to think of the men and women who served our country and they are displayed in the main hallway. It's a beautiful reminder of the pride students learn at an early age for military members, past and present!
- **Professional Development:** Our teachers are constantly working hard to learn and/or develop new strategies and programs to make sure each and every student is set up for a successful future and have positive learning experiences on their journey of a lifelong love of learning!
