## Emojin the Possibilities with OFIS PTA

OFIS PTA is running a membership contest through the month of September! All classrooms that have 100% membership by Friday, September 29<sup>th</sup> will receive an Emoji treat from the PTA! 100% membership means the teacher and at least one adult per student is signed up as a PTA member! We encourage dads or an important male figure in your child's life to join so that you can be included in our "Donuts with Dads" members' only event later this year! Our online membership makes it easy to join!
