Free Homework Help

Did you know that our local Cuyahoga County Public Library branch offers free after-school homework help to students in grades K – 8?

An experienced educator will be available to provide students with drop-in homework assistance for two hours after school, Monday through Thursday. Any students at the library after school from **3:30** to **5:30** can receive help from the **Homework Mentor**.

**Mondays – Thursdays, thru May 9, 2019
on days the public schools are in session**

Our local library also offers students:

- Computers with high-speed Internet access
- Free homework help research databases
- Educational books, eBooks and other materials
- A safe, welcoming after-school environment
- Engaging, constructive programs and activities

The Cuyahoga County Public Library branch that serves the Olmsted Falls School District is:
