| What should I bring? | #2 pencils and a calculator | #2 pencils and a calculator | | | | | | | | | | | | | | | | | | | | | |
| Why are we omitting the first three periods in the modified schedule? | <ul style="list-style-type: none"> - Keep continuity with the present schedule in regards to lunch times, bus pick-up and drop-off for OMB and Polaris students - The Senior polaris students will miss due to the fact that they need to be at Polaris at 11am - Lunches need to be long enough to serve all students so we had to keep the time amount for lunches the same (app. 45 minutes) so if we add three more classes to the schedule the other classes would only be approximately 16-17 minutes. | | | | | | | | | | | | | | | | | | | | | | |
