

Summer 2011

Dear Parent(s) or Guardian(s),

Summer is coming soon. You may be thinking about what your child will do for meals while school is out. The good news is that the U.S.D.A. has once again offered a community grant to provide meals at no charge during the summer. This grant is similar to the program that the USDA offers to seniors in our community. The meal program will begin June 13/14, 2011 to August 19, 2011 (No service July 4). Any child under age 18 is eligible to receive meals at no cost.
