

PTA TAKE YOUR FAMILY TO SCHOOL WEEK!

February 11-17, 2018

Falls-Lenox/ECC PTA are pleased to announce we are recipients of the 2018 National PTA Take Your Family to School Week grant sponsored by Chrysler and Chromebook!

We understand families are BUSY. We also know families CARE about their KIDS. That's why we are meeting ALL parents and caregivers right where they are with information they can use to encourage, empower and educate their kids! We are offering a virtual AND in-person event!

YOU ARE INVITED to Take Your Family to School Week Event:

Date: Monday, February 12, 2018
Time/Place: 6:30-7:45pm, Falls-Lenox Library

If you can't make the event in person, you can watch the presentation from any smartdevice. Link sent in later communication and available on school website.

Stay tuned. Stay involved. #PTAPROUD #FLECCPTAPROUD

PTA TAKE YOUR FAMILY TO SCHOOL WEEK!

February 7, 2018

Greetings families of ECC and Falls-Lenox,

We understand families are busy. Work, activities, and life in general often make it challenging for parents and caregivers to attend events. While our schedules may all be different, there is one thing all families have in common - we care about our kids! That's why PTA and ECC and Falls-Lenox have teamed up to deliver valuable information that meets you where you are!

You are invited to attend the Falls-Lenox and ECC PTA **Take Your Family to School Week Event** this Monday, February 12th from 6:30-7:45 p.m. in the Falls-Lenox Library. This special event will feature a special panel discussion sharing key information that all families need to know to best help their young students. If you can't make it to the school, you can watch the broadcast from any web connected computer or smart device. The link will be sent out to families and made available on the district website prior to the start of Monday's broadcast at 6:30 p.m. Those who attend the event in person at Falls-Lenox will have the opportunity to interact with school administrators and staff to have questions answered on the spot! Free babysitting services will be available.

Whether you attend with your family, or choose to view the panel discussion and resources online to better fit your schedule, we encourage all families to take part in this event. We are delivering this information to partner with ALL parents and caregivers. In addition to the panel discussion with our principals, you'll also receive links to resources offered at each individual school as well as on other relevant topics of interest like internet safety, family meal planning, co-parenting, grandparents raising their grandkids, and more....

Research shows that family engagement supports student success. Students with involved parents and caregivers are more likely to earn higher grades and pass their classes, attend school regularly, have better social skills and go on to post-secondary education. The Falls-Lenox and ECC PTA are proud to be the recipients of the *2018 National Take Your Family to School Week Grant sponsored by Chrysler and Google Chromebooks* to make this event possible and are excited to deliver information to ALL families and homes!

Sincerely,
Michelle Smith
Falls-Lenox PTA President
