## OFMS Hybrid Schedule: Wednesday

All students will be home on Wednesday and will follow the schedule below. The school day will run from 10:30-3:30 PM. We will have all 7 periods with each period being 30 minutes in length. Students will have their Explorer classes as scheduled and Physical Education or STAR based on their A/B Calendar assignment. Students will have lunch scheduled on the day. Teachers will meet with the Monday/Tuesday and the Thursday/Friday groups simultaneously at the times identified below by the same period as Monday/Tuesday or Thursday/Friday. Please note the period times are different as classes begin at 10:30 AM and will be 30 minutes in length. These lessons will all be live on Wednesday. Teachers will meet with both sets of students (Monday/Tuesday and Thursday/Friday) for 30 minutes to add additional instruction, respond to student questions, and explain the learning activities which will need to be completed when they are not in the actual school building based on their Monday/Tuesday or Thursday/Thursday schedule. Our grade level department teachers will develop lessons, units, and project based learning for students to complete on the days they are not actually in the physical building. Teachers will review the learning activities the students are expected to complete when they meet with each of their classes on Wednesday.
