November 22, 2020

## **Dear ECC Families,**

Thank you for your patience and follow through with protocols for keeping students home due to possible contact with COVID-19. Last week was the first week we began experiencing a larger number of students and staff in need of quarantine due to possible exposure. I know this is frustrating, especially when you have multiple children in the district at different buildings. We hope that the process of receiving student work through Google Classroom along with the procedure for picking up take home bags, makes things a little easier for families. Any work completed by the time students return from their quarantine, will allow their attendance to count as present. The building will be open on Monday and Tuesday for any families who did not pick up their child's take home bag last week.

We will continue monitoring numbers and following guidance from the CCBoH on school operations. If any changes take place over Thanksgiving Break, I will reach out to our families and Dr. Lloyd will provide an update on the district's status for either continuing in our current Hybrid models, or Full Remote e-Learning model. Either way, do not hesitate to reach out if you need any support.

I am thankful that we completed a trimester of school 50 days of instruction prior to our Thanksgiving Break. We have made so much growth and built great relationships. Our students are happy and love school (online and in-person). I know that moving forward, while we might have to go remote for a moment, we will come back together, and we will finish the school year and continue to grow. We will get through this safely, together...The Bulldog Way!

Stay strong and enjoy your time with each other!

With Gratitude,  
Dora

For Monday, November 23rd and Tuesday, November 24th, Preschool and Kindergarten teachers will send their 2 day schedule and agenda. If we are extended in remote after Thanksgiving, we will implement the schedule below, and teachers will set up small group times with families.

## Turkey Time

## **Thankful for our ECC Staff**

**They came back with open hearts and open minds ready to do whatever it takes to nurture and teach our youngest Bulldogs! I am so lucky to work with them every day.**

## **Thankful for our ECC Families**

They have maintained support for our staff and students, while riding this "roller coaster" of a year.

They check email, Bloomz, and social media several times a day to ensure they're on top of everything. They also take time to show appreciation, which fuels our bodies to keep going for our community. Together, we are an amazing team!
