How Can You Support PBIS at Home?

-  Review the PBIS Core Values? with your child.
-  Ask your child about his/her day at school every day.
-  Make sure your child is ready every day. Ensure a good night's sleep.
-  Ask your child about the Word of the Month. How can it be applied at home?
-  Be a visible part of your child's school day. Attend PTA meetings and other school activities as your schedule allows.

How is PBIS different from other school behavior programs?

- 🐾 The program is focused on acknowledging students for consistent positive behavior.
- 🐾 There are expectations for all students, parents, staff, and settings.
- 🐾 Direct instruction of expected behaviors will occur throughout the school year.
- 🐾 Routines and language with respect to appropriate school behavior are consistent throughout the school and district.
- 🐾 Problem behavior will be responded to with consistent consequences that are focused on re-teaching the expected behaviors.

What is PBIS?

PBIS is a process for creating safer and more effective schools. It is a systems approach to enhancing the capacity of schools to educate all children by developing research-based, school-wide, and classroom behavior support systems. The process focuses on improving a school's ability to teach and support positive behavior for all students. Rather than a prescribed program, PBIS provides systems for schools to design, implement, and evaluate effective school-wide, classroom, non-classroom, and student specific plans. PBIS includes school-wide procedures and processes intended for all students and all staff in all settings. PBIS is not a program or a curriculum. It is a team-based process for systemic problem solving, planning, and evaluation. It is an approach to creating a safe and productive learning environment where teachers can teach and all students can learn.
