--	---

In order to avoid foot and ankle injuries, slip-on tennis shoes (tennis shoes without backs) or shoes without tie laces are **not** recommended. **Athletic shoes that leave black marks on the floor will not be permitted on the gym floor.** Athletic socks are also important in that they absorb shock and stress on the foot. A sweatshirt or sweatpants are recommended, but not required for outdoor classes during cold weather.

It is our hope that you will be able to purchase the necessary items during the **summer months**. The students will receive their PE shirt, shorts, and mesh bag during physical education classes the first week of school.
