

Food 4 Kids

No child should ever go hungry.

No Child Should Go Hungry

Hunger does not have a color. Hunger does not have a look. You can live in a nice neighborhood and still be hungry. Hunger does not know city boundaries or age limits. Many children rely on school food programs for their breakfast and lunch but hunger doesn't stop when school does.

While schools are closed for the summer, OCC will have a sharing table available for any child who stops in our center between 11am-1pm Monday thru Friday. Bring your backpack and we will try to fill it for you. Ride your bike, bring a mom or dad, come with your friends, it really doesn't matter to us. If you are hungry, we will give you something to eat and drink...and a smiling face who cares about you.

Want to help out? We are looking for distribution volunteers to greet children or donations of non-perishable individually wrapped food and drink items. We have shoppers if you'd prefer to make a monetary donation. Call the OCC at 440.427.1599 for more information or to volunteer.

11:00am-1:00pm Monday thru Friday
